

TEKNISK DATABLAD FOR ARO ENERGY SOLUTIONS VARMTVANDSBEHOLDER

The image shows a standard EU energy label for a water heater. It features a blue header with the European Union flag and the word "ENERGY". Below the header, the manufacturer's name "ARO ENERGY SOLUTIONS" and the model number "371540.115" are listed. A small icon of a water heater is shown on the left. The energy efficiency scale is represented by seven horizontal bars of increasing length, labeled from A+ (green) at the top to F (red) at the bottom. A black arrow points to the "A" class, which is also indicated by a barcode. Two white boxes with blue borders display the power rating "40 W" and the volume "160 L". At the bottom left, the year "2017" is printed, and at the bottom right, the standard number "812/2013" is printed.
