

TEKNISK DATABLAD FOR ARO ENERGY SOLUTIONS VARMTVANDSBEHOLDER

The image shows a standard European energy label for a water heater. At the top left is the European Union flag. To its right, the word "ENERGY" is written in large white letters on a blue background. Below this, the manufacturer's name "ARO ENERGY SOLUTIONS" and the model number "371541.050" are printed. A small icon of a water heater tank is shown on the left. The central part of the label features a vertical scale of energy efficiency classes from A+ (green) at the top to F (red) at the bottom. A black arrow points to the class "B", which is also indicated by a barcode-like graphic. Below the scale, two white boxes with blue borders contain the power rating "80 W" and the capacity "470 L". At the bottom left corner, the year "2017" is printed, and at the bottom right corner, the standard number "812/2013" is printed.
